*Basic Musicianship is not part of the Music Major curriculum requirements. Although students may need to take the course to be successful in the Major, this course does not count toward the Music Major. It does count towards one of your humanities courses.

** This course is offered every three semesters. Check with faculty to confirm the next offering.

***You are required to complete two Techniques Courses. It is recommended that students with a concentration in voice take MUS 236 and MUS 237, and students with a concentration in Instrumental Music take the two courses that best fit their needs.

Recommended courses:

- MUS 324 Music Technology
- MUS 150 Composition Class
- COMM 240 Principles of Public Relations
