

RN TO BSN DEGREE REQUIREMENT

Students in our RN to BSN program complete a total of 28 credits, including both online classes and in-person clinicals at SAU partner institutions.

Prior to admission in the Nursing program, students must meet the [program's prerequisite requirements](#) with a C grade or higher and have no more than 7 outstanding required [general education](#) credits left to complete prior to admission.

Please consult the online course catalog for detailed course descriptions.
